ART CLUB

The art club is the newly introduced activity in our school. This is where artists and fans of the arts unite and discover the infinite realm of artistic expression. Whether you're an artist, painter or you just love drawing, our club offers a place for every learner to express themselves as well as share their interests.

KARATE CLUB

Our Karate Club is a path towards developing self-control, improving physical health, and self-defense. Our club provides a safe environment for learning and development for all learners, regardless of experience level in martial arts. It is a place where they gain self-assurance, sharpen their focus, and embrace their inner warrior.

GUITAR LESSONS

Do you have a strong love for music and a desire to master the guitar? You only need to check out the Guitar Club! All skill levels are welcome at our club, regardless of experience level.
